Abbey Bookbinding can produce any number of books to your specification

Two brothers, Mr Hugh and Norman Salmon, wanted to write a tribute to their father to honour his achievements.

They decided to publish their work themselves and so asked us to print and bind their publication for them. Mr Salmon supplied various files as word documents. We completed and tweaked minor artwork issues and composed all of the files into one nice and clean print ready pdf.

They decided to get 200 copies printed and bound in a paperback format (perfect binding) and 10 limited edition copies in hardback. We designed a cover for the paperbacks, and gloss laminated the outer part of the cover.

The hardback version was thread sewn, case bound in emerald green heritage library buckram with a bookmark ribbon and decorative headbands applied. We also printed a dust jacket, gloss laminated to compliment the hardback copies.
